**WE WANT TO HEAR FROM YOU!!  
PUBLIC FORUM ON SOUTH HADLEY HOUSING**

The Town of South Hadley is engaged in developing an updated housing plan which entails a Housing Production Plan and a multifamily development study. These efforts are designed to ensure that the Town's strategies encourage and assist in development of a balanced and well-designed housing supply to meet the Town's needs. It is recognized that a balanced and well-designed housing supply also helps communities and the region meet many other objective as well.

Community involvement in this planning process is essential.

Accordingly, the South Hadley Planning Board invites all interested persons to attend and participate in a public forum to be held at the next Planning Board meeting to discuss the potential strategies for meeting the community's housing needs. This forum is to be held as noted:
