## Personnel Report

December 13, 2013

To: Selectboard  
From: Jennifer L. Wolowicz, Assistant Town Administrator

We are actively advertising for a new Plumbing & Gas Inspector due to the resignation of Larry Eldridge effective on December 6. This new employee will be working under the direction of the Building Commissioner as the legislation has been signed recently to move those responsibilities from the Health Department.

The United Way Campaign was held recently and thanks to our employees the United Way will receive a donation of \$1,853.00 for 2014.

Harpers, Harpers, Harpers...we continue with the trainings and are getting closer everyday to the "go live" date of our first payroll in January. We are very excited about this new system and look forward to learning more about the system once we are up and running.

Respectfully,

Jennifer L. Wolowicz  
Assistant Town Administrator, South Hadley
