To whom it may concern,

Dimensional internally illuminated QFS, Inc. logo and letters mounted on raceway with low voltage LED lighting. Raceway to be painted to match the wall of building.

Six (6) 4' x 4' - 16 sqft box wall signs to be internally illuminated of various brands with low voltage LED lighting.

All signage will comply with the Zoning By-laws as stated on Section (F) Signs.

- Signs are attached to the building parallel and do not exceed the allotted 10%
- Illuminated signs will be arranged and shielded so that the source of the lighting shall not be visible from a public way or adjacent property.

Regards,

A handwritten signature in blue ink, appearing to read "Tracy Janik".
